

# Alumni Special License Plate Application

## Information

The only characters allowed:

- English alphabet (upper case)
- English numbers
- Blank spaces
- Dashes
- Period
- Ø for Call Letter license plates only

The maximum amount of characters allowed:

- Seven for any other type plate

The minimum amount of characters allowed:

- Five for a plate with numbers only
- Two for any other type plate (all letters or a combination of letters and numbers)

Spaces, dashes, and periods count as a character. However, they do not change the configuration. For example: if (ABC) is taken, (A B C), and (A-B-C), and (A.B.C.) are also taken.

When a choice is approved, you will receive a Billing Notice requesting payment of the \$35.00 fee within twenty-one (21) days. After payment is received, a receipt/informational letter will be sent to you. When your **local county motor vehicle office** notifies you in approximately two (2) to three (3) months that your plates are available, present your receipt to them for issuance of the plates. Your plates will be held 12 months from time of payment to the Department of Revenue. Then the plates will be destroyed and that configuration will be available for reissue. **No refunds will be issued.**

**NOTE:** The Department will not honor a change of choice or spacing or a request for refund **after** payment has been received.

If you move before you receive the license plates, give your new address to your local county office and the Colorado Motor Vehicle Registration Section. Failure to notify both agencies may cause a delay or cancellation of the plates.

The renewal fee for subsequent years (see 'Fees') will

be included on your renewal notice from your county. The fee to transfer, reissue or replace special license plates will be handled by your local county office.
