### DUPLICATE LICENSE PLATE APPLICATION

The registered owner of a vehicle may request Duplicate Number License Plates to replace their currently registered license plates using the same combination of letters and/or numbers. The original license plates must not have been stolen.

The fee for Duplicate License Plates is \$10.00 plus a \$1.00 prison industry fee, for passenger vehicle and trucks. The fee for a duplicate motorcycle or trailer license plate is \$10.00 plus a \$.50 prison industry fee.

Your Duplicate license plates will be mailed to the current address of record maintained by the Department. If you ordered your Duplicate license plates via mail, your license plates will be forwarded to the DMV location specified on the application and you will be notified, by mail, that they are available to be picked up. If your vehicle is currently registered, State law requires that your vehicle be re-registered for twelve (12) months at the time you receive your Duplicate license plates. Credit for the unused portion of your current registration will be allowed. In applicable counties, if the previous evidence of compliance of emissions standards was obtained more than 90 days ago, the vehicle must be reinspected prior to registration.
