INSTRUCTIONS

NOTE: If it is available, the previous certificate of title must always be turned in to the Department. If the certificate of title is not available, the Department will inform you what documents are needed. The Department will not issue you a title based on this affidavit alone.

1. You must complete Form 400 (Application for Title). If you are purchasing a license plate or transferring a plate from another vehicle to this vehicle, you must also complete Section 2 of the Form 400.
2. You must turn in the previous certificate of title and/or registration with this form and the application for title.
3. The title to the vehicle must be properly assigned to you. Any lien listed on the title must be released or cleared.
4. A bill of sale and/or receipts for parts and any custom kit documents used to rebuild or make the vehicle must also be attached.
5. If you are not submitting the previous certificate of title to the Department, you must submit the Salvage Title.
6. If no vehicle identification number (VIN) is on the vehicle, a number must be assigned to it. The VIN number must be placed on the vehicle and inspected by an authorized agent of the Department. The agent will sign this form verifying the serial number.
7. A paid personal property tax receipt in the owner's name is required to purchase plates for the vehicle. The tax receipt should be for the current year.
8. You must pay for a title, and, if applicable, a registration fee and casual sales tax or excise tax on the vehicle.
