TRUTH IN MILEAGE ACT

All Vermont titles issued after July 1, 1990 must conform with the Federal Truth in Mileage Act. For each reassignment of ownership, a space will be provided for the Odometer Statement and both the seller's and buyer's signatures. If there are additional reassignments of ownership, these must be on a secure form, TA-VT-05a, "Registered Owner's/Dealer's Reassignment of Title To A Motor Vehicle" which is available from this Department. A separate Odometer Disclosure Statement will no longer be necessary for such "conforming" titles. A title not meeting these regulations (non-conforming title) will be accepted if it contains standard ownership reassignments and bills of sale. A separate Odometer Disclosure Statement will continue to be required for such "non-conforming" titles.

ODOMETER DISCLOSURE STATEMENT

We have provided this Odometer Disclosure Statement for you, but a separate one that gives the same information is also acceptable when fully completed. For sale of leased vehicle, Lessor/Seller must send a disclosure statement to Lessee. Lessee must complete odometer statement and return it to Lessor/Seller.

Federal and State law require that the Seller/Lessee disclose the mileage to the Buyer/Lessor in connection with the transfer of ownership. An inaccurate statement, or failure to complete the statement, may result in fines and/or imprisonment, pursuant to Section 409(a) of the Federal Motor Vehicle Information and Cost Savings Act of Public Law 92-513, and pursuant of Vermont's Consumer Fraud Law. The Federal Truth in Mileage Act applies to vehicles which are:
